Free Lunch & Learn

We're hosting a program for adults of all ages and inviting them to have lunch on us and learn about the benefits of advance funeral planning. If you would like to have us come and present to your group, please let us know! This is a chance to relax with friends and neighbors, enjoy a light meal, and learn about the many spiritual, emotional, and financial benefits of making important decisions in advance. Attendees will learn how they can assist their parents or make things easier on their children and other family members during a time of loss.

Everyone who attends will receive a FREE Funeral & Cremation Planning Folder and free planning assistance, along with a light lunch.

Our advance planning Lunch & Learn program is designed to educate small groups about the many benefits of planning ahead for final wishes. Those who attend will learn about why advance funeral planning is so necessary for creating a healing and meaningful celebration of life. We offer free educational programs to help families make educated decisions that will one day bring comfort and healing to those they love.

To schedule a Free Lunch & Learn program for your church or small group, please contact:
